### Check from home

Have you ever wondered what you have out and when it is due? Here is how you can check from home!

Go to the website, at the top of the page, click on the Library Card Catalog tab. Next click on the My Library Info Tab. Enter your Patron ID number. It starts with a 4 then it has 4 other digits, you can find this on your blue library card. Next enter your last name only. This is not case sensitive.

This will pull up your information, what you have out, when they are due, if you currently owe a fine.

You can also look up books to see if we have them and if they are in!
